EMERGENCY GRANTS
Student Resource Center

Are you close to achieving your goals at WCC, but have recently faced a financial hardship that will keep you from reaching them?

If you find yourself in this situation, an EMERGENCY GRANT may be the answer. EMERGENCY GRANTS can help make a difference by paying a partial amount towards that financial hardship. These grants are available to students who have at least 12 college credits completed towards their program of study, are making good academic progress, meet income guidelines, and show unmet need.

To see if you are eligible, visit the Student Resource Center now located at SC 206 (Counseling & Career Planning) or call 734-677-5105 to make an appointment with a Case Manager.
