

Using WCC's Student Resource Center Emergency Food Pantry

To be eligible to receive items from the emergency food pantry, students must be currently enrolled in credit classes at Washtenaw Community College. **Currently enrolled students can receive two bags of food, twice a semester. At that time, the student will also be provided a current list of active food banks and hot meal availability in the community.**

How to get started using the pantry:

During your initial visit, make an appointment to see a Student Resource Center (SRC) Case Manager for a later time (To review eligibility for other resources/scholarships-tuition, books, childcare assistance, and bus tokens,) **complete the pink-colored SRC-Food Gatherers Sign-Out Form, and collect your two bags of food.** For subsequent visits to the food pantry, the pink form will need to be completed each time.

NOTE: Please note students are not allowed to pick out their own food. Please be prepared to let our staff know your food/dietary preferences. By accepting food stuffs and hygiene items from the Student Resource Center Emergency Food Pantry and Washtenaw Community College, I am agreeing to waive, on my behalf and on behalf of any of my family members, any and all claims of liability against WCC, its trustees and employees, for any injury or any form of loss which may result from the use of the food pantry.
